SIRI ARIFF INGIN TAHU

Siri Ariff Ingin Tahu (Ariff Wants To Know)

revolves around a young boy called Ariff who learns valuable lessons through his experiences and interaction with his immediate family. The series comprises 6 titles written and illustrated by Mdm Jumaini Ariff, who counts the antics of her own young children and her own experience as a pre-school teacher and teaching assistant for special needs students as inspiration.

Print versions carry bonus materials such as glossary and activities for parents and children.

The Fantastical Journey Series

Four teenage cousins, 2 boys and 2 girls, were recruited by a shady man to assist him to solve several mysteries in a fantasy world. They were transported and given tasks to do and have to use their wits and a special ability given to them to transform into animals to escape the perils of defeating wizards and dragons and other Asian mystical creatures. At the end they identify who summoned them and why, reveal and the connection with the teens.
