Bestselling  
Authors

*Amarin* has been an important part of Thailand's literature culture since 1976. Starting from home-design lifestyle magazine *Baan Lae Suan* (Home and Garden). Our prominent success led to great commercial growth in 1993, when we proudly established one of the most popular book retailing store brands in Thailand, *Nai-In*.

Currently our 17 and ever-growing imprints publish over 1,000 titles per year. We always seek to expand into newer publishing businesses and innovations. Guided with passion for literature, we strive to be the #1 reading experience of Thailand's publishing industry.

This catalogue features *Amarin's* bestsellers and also Thailand's bestsellers by independent authors, offering you all the greatest tastes of Thai literature.

- Horror / Thriller
- BL / GL
- Self-Help / Essay
- Children's Books
- Home & Garden Lifestyle

### หิ่งห้อย เพื่อนผู้แสงสว่าง

ทำมีดแล้ว พยายามออกไป เห็นแสงระหิบบต้องลอยอยู่ในอากาศ บ้างก็ระหิบบอยู่ตามต้นไม้ เหมือนไฟกระหิบบในวันเทศกาลมีงานฉลอง บางครั้งแสงระหิบบที่กระหิบบได้นี้ก็ลอยลงมาอยู่ในรังมือของเด็กๆ บางคนเขียนแสงที่กระหิบบลอยไปลอยมาว่า "หิ่งห้อย" บ้างก็เรียกว่า "กีบสว่าง" หิ่งห้อยเป็นแมลงที่มีแสงในตัวเอง

Cricket, friends at night

Life cycle of dragonflies

Bees, our sweetest friends

## Just Wait a Little

The book teaches children to understand the word “wait” and helps children learn the relatable value of discipline.

The story is about a mother mouse and her five kids who have to wait for fruits to ripen, so they can eat them. The kids come to see the fruits everyday, and they really want to eat them. Will they be able to wait until the fruits ripen?
